

Dear Parents/carers,

Welcome to Spring Term 1. We hope you are all well and keeping safe.

A big welcome to Ms Lisa, our new teacher assistant in Trinity class!

### Home Learning

As a team, we are working together to provide home learning resources and support for all children in Year 1.

This term your child will continue to explore a range of subjects including Maths, Literacy, R.E, PSHE, Computing, Science and our Project Based Learning (PBL) unit 'Amazing places and spaces'.

All work this term will be uploaded to Class Dojo each day throughout the school closures, which includes a learning video for Maths, Literacy, PBL and phonics and PowerPoint resources for other lessons.

Please continue to read with your child daily and support them in daily handwriting practise.

The following Curriculum map outlines the work we will be covering this term.

**Physical and mental wellbeing**

Your child's health and well-being is so important, especially now during lockdown, so we are providing sessions in our home learning timetables for exercise with P.E with Joe and Cosmic Kids Yoga, as well as screen-free activities and weekly PSHE.

**Communication**

We will strive to keep you informed and up to date through letters, phone calls and Class Dojo. If you do have any concerns or questions, then we are always here to listen and support you. A member of the team will be making weekly phone calls to check-in with families.

Thank you for your continued support.

Many thanks,

The Year 1 Team.
