

Rounding Amounts of Money

1 Round each amount to the nearest £.

$$£1.60 \approx \boxed{£2}$$

$$£2.45 \approx \boxed{£2}$$

$$£3.80 \approx \boxed{£4}$$

$$£4.50 \approx \boxed{£5}$$

2 Round the price of each item to the nearest £ and to the nearest £10.

(a)  £15.80

$$£15.80 \approx \boxed{£16} \text{ (to the nearest £)}$$

$$£15.80 \approx \boxed{£20} \text{ (to the nearest £10)}$$

(b)  £23.25

$$£23.25 \approx \boxed{£23} \text{ (to the nearest £)}$$

$$£23.25 \approx \boxed{£20} \text{ (to the nearest £10)}$$

(c)  £37.90

$$£37.90 \approx \boxed{£38} \text{ (to the nearest £)}$$

$$£37.90 \approx \boxed{£40} \text{ (to the nearest £10)}$$

3 Complete the table.

	Round to the nearest £	Round to the nearest £10
£9.11	£9	£10
£12.64	£13	£10
£15.43	£15	£20
£28.50	£29	£30
