Dear Parents,

Your children have now completed their first few days back at school and we are proud with the way they have settled back into school life.

Please see below the Year Four Team:

- Ms George – Class Teacher for Exeter
- Ms Mehza – Class Teacher for Birmingham
- Mr Collyer – Student Teacher
- Mrs Salim – Teaching Assistant

Although each class is assigned a teacher and teaching assistant, we are very much one team and will all work together with all the children as much as possible. Please feel free to talk to any adult in the team if you need something.

This term as well as settling into school your child will explore a range of subjects including Maths, Literacy, Understanding the World, (History, Science, Geography and R.E.) PE and Expressive Arts (Music, Drama, Dance). Children will also cover topics related to their own likes and interests.

The following table outlines the work we will be covering this term. We recognise that children learn at different rates and have organised a range of learning activities to support all children with their learning.

R.E

In R.E we will be looking at Hinduism and the festivals that are celebrated.

Computing

This half term we are looking at animations where they will be creating stop motion animation in PowerPoint

PSHE

The focus in PSHE will be all about diversity and well-being over this half term.

Geography

We are looking at where our food comes from. This is all about identifying the different climates that food grows in

Science

Our Science topic this half term is States of Matter. We will be investigating solids, liquids and gases and doing fun experiments around this.

Where does our

Food come from?

Literacy

We are going to be reading Charlotte's Web in our literacy lessons. We will be producing lots of fantastic pieces of writing around this story.

Music

We will be learning how to play the guitar across the whole year. This lesson will take place once a week for an hour.

Maths

Using Maths No Problem, this half term will be focussed on place value.

Art and Design

We will be making our own Charlotte's Web spider webs.

P.E

Games
Dance

Forest School

We have a brand new forest school at Eastbury and hopefully all the children in Year 4 will get the opportunity to spend some time in the Forest School.

Home Learning

Homework will be provided to the children on a Friday and the expectation is that the homework is uploaded onto Class Dojo. It is **not** to be bought back into school. In addition, they will be required to complete 45 minutes of Times Tables Rockstars per week.

PE

Please ensure that your child wears their PE KIT to school on:

Exeter: Mondays & Thursday

Birmingham: Tuesdays & Fridays

Your child should have suitable footwear and warm clothing for outdoor P.E. Children are expected to come wearing:

PE Kits should include:

- Jumper (plain black)
- PE shirt (plain white)
- Jogging bottoms (plain black)
- Plimsoles/trainers

Please note that children are not to wear their school jumper or cardigan for PE

Communication

We have lots of exciting things to look forward to this year and we will strive to keep you informed and up to date through letters, texts and Class Dojo. If you do have any concerns or questions then we are always here to listen and we always appreciate feedback.

Thank you for your continued support.

Many thanks

The Year 4 Team.
